

Europe 2011 Overview

Our largest and most extensive season ever in 2011

Princess® has always been a leader in Europe. And 2011 is no exception. It's our largest and most extensive Europe program ever, with seven ships visiting the best destinations in the Mediterranean and Northern Europe from April through December. Choose from 106 sensational departures on 42 unique itineraries to over 135 ports of call!

Our most ships ever in Europe! Seven ships sail Europe in 2011. You can choose from small ship experiences with Ocean Princess® and Pacific Princess®, to sailings on our grandest, newest vessels, including Crown Princess®, Emerald Princess® and Ruby Princess®.

Emerald Princess returns to the Baltic. The popular Emerald Princess returns to the Baltic region for an enhanced 11-day sailing roundtrip out of Copenhagen. Each voyage features our popular 2-Day Experience in St. Petersburg and includes Oslo, Berlin, Stockholm, Helsinki and Tallinn, as well as the new port of Aarhus, Denmark.

More overnight calls throughout Europe. It's one of our most popular features — overnight calls in cities that allow you to enjoy their highlights by day — and into the night for a more immersive experience. For 2011, all of our 12-day sailings throughout the Mediterranean feature an overnight stay in grand cities like Venice or Istanbul, and our Holy Land and Egypt & Aegean itineraries include two full days in different ports in the countries of Israel and Egypt to explore fascinating cities such as Jerusalem and Giza. A signature 2-Day Experience in St. Petersburg is also featured on all our 11-day Scandinavia & Russia sailings, and Ocean Princess offers overnight calls in Edinburgh or Dublin on select Northern Europe itineraries.

New 7-Day Interlude voyages on Ocean Princess. Experience the perfect introduction to the Small Ships of Princess with new week-long interlude sailings on Ocean Princess, visiting a variety of the Mediterranean's boutique ports. Combine sailings to create a 14- or 21-day Interlude combination voyage to see even more.

New ports. Europe 2011 features maiden calls in Aarhus, Denmark; Motril (for Granada), Spain; Crete (Aghios Nikolaos), Greece; Antwerp, Belgium; and Sète, France.
